

READ RENEW REPEAT

SUMMER READING
PROGRAM
2024

HOW IT WORKS:

Set a reading goal for the month of June. Some examples are provided below. You can set goals that you are comfortable with, or set goals to challenge yourself! Goals are flexible and can be changed if needed partway through the month. **Keep track** of your progress on your calendar: make check marks, color the square, add stickers...however you want! Once you reach your June goal(s), **bring your calendar to the library** and earn **prizes!** Then you choose: continue with the same goal for July, or change your goal.

EXAMPLE GOALS

"I will read 20 minutes three times a week."

"I will read ____ picture books a week with my grown-up."

"I will read _____ number of pages per week."

"I will listen to at least two audio books this summer."

READ, RENEW REPEAT

This year's theme features the idea of **conservation**. Conservation means protecting species from extinction, maintaining and **restoring** habitats, enhancing **ecosystem** services, and protecting biological local diversity. And hey, did you know that by sharing books at the library, you're also helping to save trees? It's all part of our fun and eco-friendly journey to a greener, brighter future!

JUNE 1 - JULY 31

EARN EXTRA TICKETS

GRIZZLY BEAR

You can earn extra tickets for the grand prize drawing! Cross off the symbol and earn **one ticket** for each thing you do from the list:

Stop in the library and attend a **program**.

Check out a **Playaway audiobook** from the library, or **download a book** using the Libby or Hoopla app. Ask a librarian if you need help!

Walk, bike or carpool to the library.

Read a **graphic novel**. Yes, they are real books!

Fill out a **Kids Pick star rating** for a book you read. Let us know if you loved it or thought it wasn't so great.

Read a book with facts about **environmental** protection, **climate change**, or a main character who cares about **nature**. Can't find a book? Ask a librarian for help!

MY JULY GOAL

MOOSE

A MESSAGE TO GROWN UPS...

Reading is never finished! Our summer reading program is intended to instill a love of reading in our kids and to understand that reading can be fun. Encourage your child to set their own goals, praise their progress, and talk about what books they like and don't like. We understand that some goals may not be accomplished during the program's time frame. If your child doesn't reach their goal, that's okay! Goal-setting and goal achievement is a learning process. Our intention is to keep them reading and have fun doing it. When the program ends, all children who turn in their calendars, completed or not, will receive an entry into the grand prize drawing.
