IMPORTANT ANNOUNCEMENT

Our library's long-time book supplier, Baker & Taylor, is closing. We have relied on B&T to fill our shelves for years and B&T has also assisted in processing materials before they came to the library, which saved us time and resources.

This unexpected change may temporarily impact the availability and delivery of some new releases or requested items. We appreciate your patience as we adapt to this new ordering system.

Please feel free to ask library staff if you have any questions.

Thank you for your continued support.

Co-worker Collaboration

The Cedarburg Public Library merch store was born from a creative partnership between Gemma and Marci, who teamed up with Cedarburg Friends of the Library, to bring a fresh, community-centered idea to life. Their shared vision was to design stylish, practical products that celebrate the library while generating revenue to support the Friends of the Library.

With Marci's inspired design sense as a graphic designer and book cover artist, she was able to create stylish, fun and functional designs, ensuring each product is both meaningful and modern. Beyond offering unique, library-branded gifts, this project helps raise awareness of the library's mission throughout Cedarburg, and creates opportunities for patrons, staff and volunteers to show their library pride and promote reading and learning.

This initiative strengthens the library's presence, builds local connection, and supports the programs and events that make Cedarburg Public Library a cornerstone of our community.
